Combination awards require the completion of the Free Application for Federal Student Aid (FAFSA) before March 1. **Wesleyan's school code is 003830.**

Wesleyan may adjust an aid package if the outside scholarship (combined with other scholarships and grants) exceeds the total direct cost. Outside scholarships may also affect loan eligibility.

If a student is approved for off-campus living status, the student's financial aid award package will be reassessed. There will be a \$2,000 reduction in institutional aid pursuant to the student's reduced direct cost owed to the College.

Scholarships covering room charges are congruent with a standard double room rate.

The College is inclined to make final decisions about combinations of awards. We will work with you to provide the most comprehensive financial award possible and to make Wesleyan affordable for you.
