

THE BOBCAT BEAT

WEST VIRGINIA WESLEYAN COLLEGE

Dear Students,

Greetings to you from 'our home among the hills!' We hope you've had a great summer and are looking forward to joining us on campus in August.

As always, we've been welcoming new faculty and staff, working on projects and anxiously preparing for your arrival. You'll notice that many buildings have received a fresh coat of paint, both inside and out; the first floor of Camden has been refurbished with new flooring and some updated furniture; the outside of Camden has received a 'face-lift' including fresh paint and a special treatment on the metal railings; and the dining hall has been freshly painted, and new carpet is being installed this week. In addition, to make sure all the projects are complete by the time we 'open' on August 17th, faculty and staff are participating in a special 'Do Good Day' (similar to the day we host each spring) on August 9th. We'll be working together—painting, planting, pulling weeds, and moving furniture—attending to the 'final touches' to ensure that our beautiful campus is fully ready for you!

You'll also notice that lots of great programs are planned for our opening weekend and throughout that first week and into the semester. Please read this newsletter to learn more about all that's in the works. We are also in the process of posting student events—athletics, campus life, community engagement, and campus organizations—on the student portal; so, you'll have ready access to all that's happening on campus. We hope you'll utilize this new feature as it will help you, as new students, become integrated into the life of the college. And, for you returning students, this might help you learn about activities you have not known about or taken advantage of in previous years. It's a brand new year—with many new and exciting opportunities!

Our new faculty and staff, as well as those of us who have been around for a while, are working together to provide a rich learning experience for you—in your classes as well as in your co-curricular opportunities. We can hardly wait to share this new year with you! We'll be welcoming our new students on August 17th, and we will be welcoming you returning students back to our 'home among the hills' on August 18th. I look forward to seeing you soon!

With warmest regards,

Julie Keehner
Vice President for Student Development
