➤Management majors may not declare a second major in business administration, finance, accounting, or marketing; nor may they declare a minor in business.

➤Except in specifically approved majors, a maximum of 52 hours in an academic discipline may count toward graduation. Three hours over the limit may count to accommodate an internship in the discipline.

➤The following limits apply when counting hours applicable toward the 120 required for graduation: 4 hours of Physical Education activities (PHED 101), and--for non-Music majors--8 hours of Music ensemble.
